GELATO DISPENSER

DOSY 3

Easy-to-use and efficient production process

No overrun loss due to new patented mixing stirrer and the whole new concept of the **Gentle Dosing System (GDS)**

Easy to assemble, use, and disassemble

The VALMAR "SPECIAL" program allows dosing of ice cream containing pieces of chocolate, nuts, fruit, etc. up to 7 mm

Dishwasher safe

Introducing a new addition to the Valmar range: the DOSY 3 automatic adjustable cup filler for professional gelato production
